# TERMS OF SALE

*(Please Read Carefully)*

1. BIDS BY MAIL, EMAIL, PHONE or FAX will be accepted until the closing date. All phone bids must be confirmed in writing on a signed bid sheet. Bids are treated as LIMITS. Bids are reduced where competition permits. In the case of tie bids, the first received is normally given preference. No "buy" or unlimited bids are accepted. Bids are accepted by lot number only. No lots are broken up. Bids are only executed in even dollar amounts.

2. This sale is NOT an approval sale. All material offered is guaranteed genuine and as described. Careful examination has been made of every lot. Cataloging errors will be cheerfully and promptly corrected. **FLOOR BIDDERS MAY NOT RETURN ANY LOTS** including those purchased while acting as agents. All claims for adjustment by other bidders must be made within five days of receipt but in no case more than 35 days after a sale. As the auction house acts as an agent for various consignors, NO CLAIM OF ANY KIND can be considered after settlements have been made. If a claim is not made within this 30 day period, no lots are returnable for any reason at any time. If we are notified prior to our settlement date that an opinion of condition, alteration or authenticity is being sought, the matter will remain open until such opinion is rendered. **Lots are not shipped until paid for in full.** Therefore, late payment will negate a return privilege. Any returned lot must be in its original holder with seal intact. Large miscellaneous or "bulk" lots cannot be returned for any reason.

3. **Successful floor and mail bidders are required to pay the full invoice amount before lots are delivered. Terms of this sale are strictly cash or an approved VISA or MasterCard (refer to Paragraph 5). Should payment be made by check (in any form), the auctioneer reserves the right not to deliver lots until funds have cleared, usually 14 business days.** First rate credit references and a 25% deposit are necessary to insure entry of your bids. Any portion of such a deposit not used will be promptly refunded after the sale. Any questions regarding the above policy should be made in writing to the auctioneer 7 days prior to the sale date.

4. **A 12.5% buyer's charge will be added to the successful bid price of each lot.** This 12.5% buyer's charge will be added to the invoice of each successful bidder without exception, and is payable by the buyer as part of the total purchase price. Additionally, 5% monthly interest is charged on all accounts 30 days past due calculated from the sale date. If any awarded lots are still on hand without a deposit 30 days after a sale, they will automatically be offered to the underbidders or relisted in the next available sale. The difference in price will be billed to the former bidder. Late payers should not expect to receive future catalogs.

5. **TERMS OF THIS SALE ARE STRICTLY CASH AND MUST BE PAID PROMPTLY IN U.S. FUNDS.** Payment should be made immediately upon receipt of the invoice. Payments from foreign accounts must be made in **U.S. Dollars by International Check drawn on a U.S. bank** or by wire transfer to the account of Craig A. Whitford Auctions, c/o Comerica Bank, Lansing, Michigan. (As a convenience, invoices may be charged to your VISA or MasterCard accounts. Please supply account number, signature and expiration date on your Bid Sheet. *Refer to your Bid Sheet for further instructions.*)

6. POSTAGE, INSURANCE and/or handling fees are added to ALL SHIPMENTS. *(Minimum charge of $3.00 per parcel).* All lots to be mailed to addresses not in the United States of America or its Territories, are charged an additional 1% insurance fee unless insurance is provided by the bidder. Overseas bidders must supply full detailed shipping instructions and agree to all terms as listed herein before shipment is made. We normally use registered airmail with return receipts and proper custom tags on overseas shipments.

7. SALES TAX will be collected under the laws of the state in which the sale is conducted unless a valid resale number is presented. **Sales Tax in the amount of 6% will be collected on all lots delivered within the State of Michigan.**

8. TITLE TO ALL LOTS REMAINS WITH THE AUCTION HOUSE until payment in full is received. The auction house reserves the right to accept or reject any or all bids at its discretion. Generally, bids below 60% of estimate will not be accepted. By placing a bid in this sale either in person, by agent, mail, email, phone or fax, you agree that this agreement is made in Michigan by the auction house's entry of your bid, and that disputes concerning the agreement shall be decided by the application of Michigan law. In the event of a dispute or nonpayment, the auction house may elect to proceed judicially, in which case the bidder consents to jurisdiction and venue in the courts of Ingham County, Michigan. If an account is referred to an attorney for collection, the buyer agrees to hold the auction house harmless and to indemnify it for all costs of collection, including actual, reasonable attorney's fees, with interest as provided in Paragraph 4 accruing on the entire amount until paid.

9. Items photographed in this catalog are of the actual items being sold.

10. **BIDDING IN THIS AUCTION SALE CONSTITUTES ACCEPTANCE BY THE BIDDER OF ALL THE FOREGOING TERMS OF SALE.**

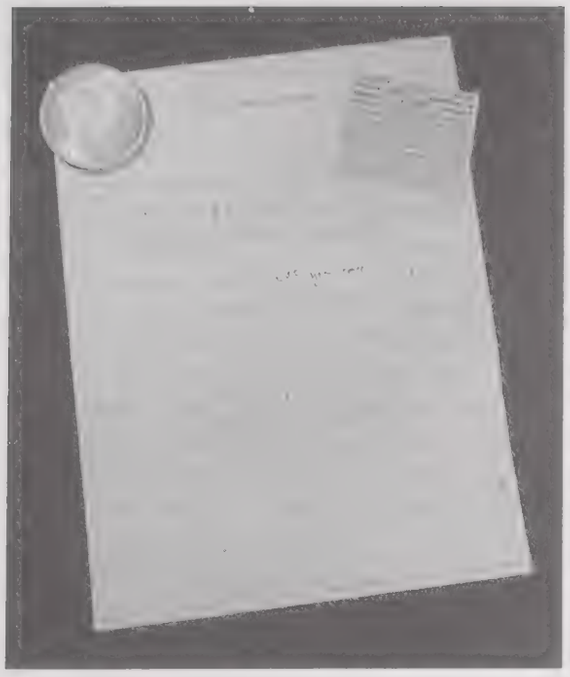
## *The Morgan Estate*
## Works of George T. Morgan
## Chief Engraver of the Philadelphia Mint

The following 34 lots are from a direct descendant of George T. Morgan (b. 1845 d. 1/4/1925), Chief Engraver of the Philadelphia Mint. Included among the offering is a letter from his daughter referencing the "Morgan" Dollar her father engraved, a unique 1920 Pilgrim Tercentenary Half Dollar reverse die trial in lead, the elusive 1915 Assay Medal presented to Morgan's son, Leonard P. Morgan as well as medals and trials designed by Morgan while in the employ of the Philadelphia Mint. Also included in the estate are models, medals and trials designed by noted medalists Barber, Sinnock, Chaplain and Weinman, contemporaries and associates of Morgan. Undoubtedly these were all part of his collection of working studies and finished medallic art.

George T. Morgan is perhaps best known for his popular Morgan Silver Dollar, struck from 1878-1904 and again in 1921. The *Numismatist* (Official publication of the American Numismatic Association) of February 1925 carried the following obituary:

*"George T. Morgan, chief engraver for the Philadelphia Mint, died suddenly on January 4 at his home, 6230 McCallum Street, Germantown. He was 79 years old. Despite his advanced years Mr. Morgan had been active until a few days before his death, when he became ill. Prior to that he had been engaged in modeling a series of medals in commemoration of the secretaries of the Treasury of the United States from Alexander Hamilton down. Mr. Morgan had made the models for and engraved medals commemorating the administration of every president since Rutherford B. Hayes. He collaborated with the country's noted sculptors in designing the country's coinage and, to a considerable extent, in adapting such models to use on postage stamps of all denominations. His work made him personally known to all the presidents of recent times. his employment by the United States government in the Philadelphia Mint covered a period of 48 years. The famous Bland silver dollar was one of his coin engravings. His initials appeared on a large portion of all the coin issued in the last quarter of a century or more by the Mint. Born in Birmingham, England, in 1845, he studied at art schools in that country, and came to Philadelphia to enter the Engraving Department of the Mint. He brought with him the Englishman's love of cricket as a sport and was one of the founders of the old Belmont Cricket Club in West Philadelphia. He retained his interest in the game to the last and was an active member of the Germantown Cricket Club. He was a man of striking physique and his years sat lightly on him. He was a life member of the Philadelphia Academy of the Fine Arts and a member of the Sketch Club. He was for many years a vestryman of Christ Protestant Episcopal Church, Germantown, and superintendent of its Sunday school. He is survived by his widow and three children - Miss Phyllis Morgan, Leonard P. Morgan, who is an electrolytic chemist in the United States Assay Office at New York, and Mrs. C.M. Graham."*

We encourage you to participate in this unique offering of medallic art from one of our nation's most respected medalists and chief engravers.



# *The Morgan Estate*

1130P. **Letter from the desk of Mrs. C. Mervyn Graham, daughter of George T. Morgan,** accompanied by a newspaper clipping and Morgan Silver Dollar, 1878 7 tailfeather variety. Handpenned in blue ink on 5.75 x 7.75" blue imprinted stationary, 2pp., no place, no date. Content of letter speaks to financial matters of the family and notes the recipient's interest in "anything about the silver dollar" and the inclusion of a newspaper clipping naming the model for Liberty on Morgan's Dollar design. The letter goes on to state "Father always said no matter how many models they posed for him, that he never bid any & that he just made up the obverse himself...(signed) Mother" Letter and clipping toned with slight rust from old paper clip (not present), coin ltly toned Unc. A unique and historic piece of Morgan family correspondence debunking a myth of the period. A wonderful display item.

## Excessively Rare & Historic
## 1920 Pilgrim Tercentenary Celebration
## Half Dollar Reverse Die Trial in Lead

1131P. **Pilgrim Tercentenary Celebration Half Dollar, 1920** Reverse Die Trial struck in lead. Overall diameter 46mm, image 30mm, lead flan measures 4mm thick. 58.5 grams.

A well struck and mostly centered impression of the adopted reverse design which features a ship intended to represent the Mayflower under full sail, inscriptions and dates as those on the final design. Designed by Boston sculptor Cyrus E. Dallin. Anthony Swiatek & Walter Breen in their opus *Silver and Gold Commemorative Coins, 1892 to 1954* state: "A galvano of his (Dallin's) original plaster model is, or at least recently has been, hanging on the wall of the Mayflower Coffee Shop in the Statler Hilton Hotel in New York City."

It is also noted that "two matte proofs of the 1920 issue are reliably reported. One of them came from the John R. Sinnock estate (Sinnock was Morgan's successor as Engraver of the Mint)."

The collateral evidence, as referenced by Swiatek & Breen, is now increased with this lead die trial from the Morgan estate. Judd, Taxay and Pollock III provide no listings of trial impressions for the 1920 Pilgrim.

Virtually as struck, although fine tin pest has affected the surfaces. Accompanied by its original burgundy leather box with white velvet interior (sl. worn). *The box containing the 1915 Assay Medal offered below is quite similar.*

Truly a once-in-a-lifetime opportunity for the commemorative specialist, a unique discovery piece.
